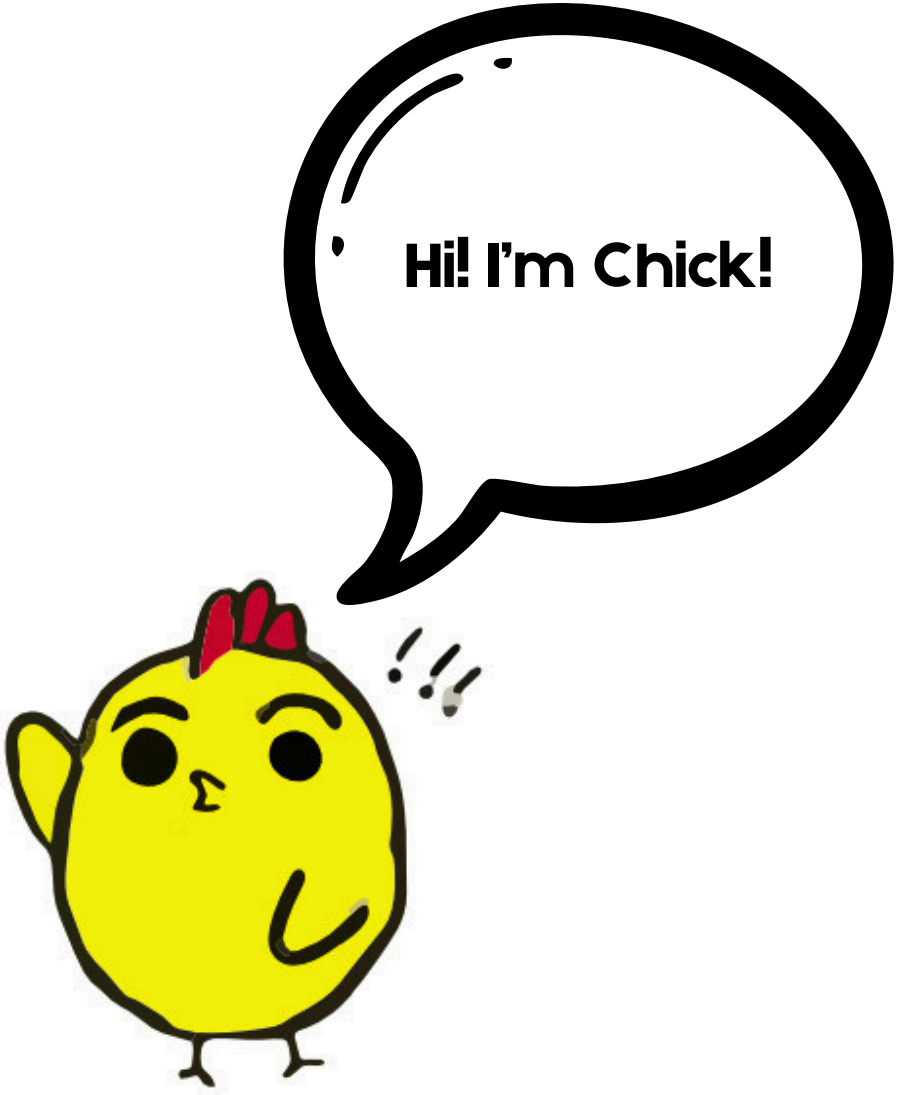
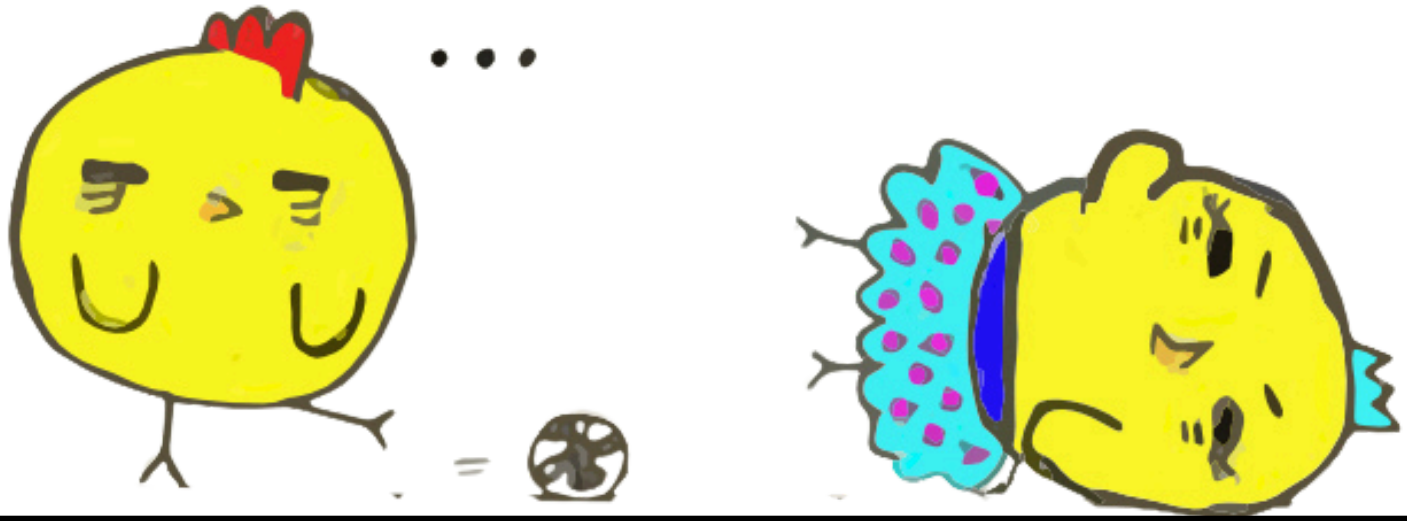
by Lola Robertson



Hi! I'm Chick!

And I'm Pea!

Chick and Pea are bored. Very bored.

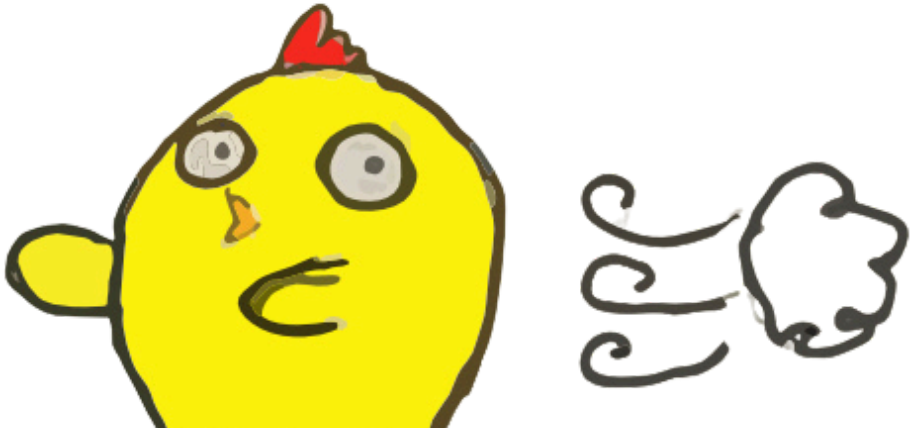


Pea has an idea. She scares Chick!

I know! Let's play Hide and Seek!

Off they go. Oh no!

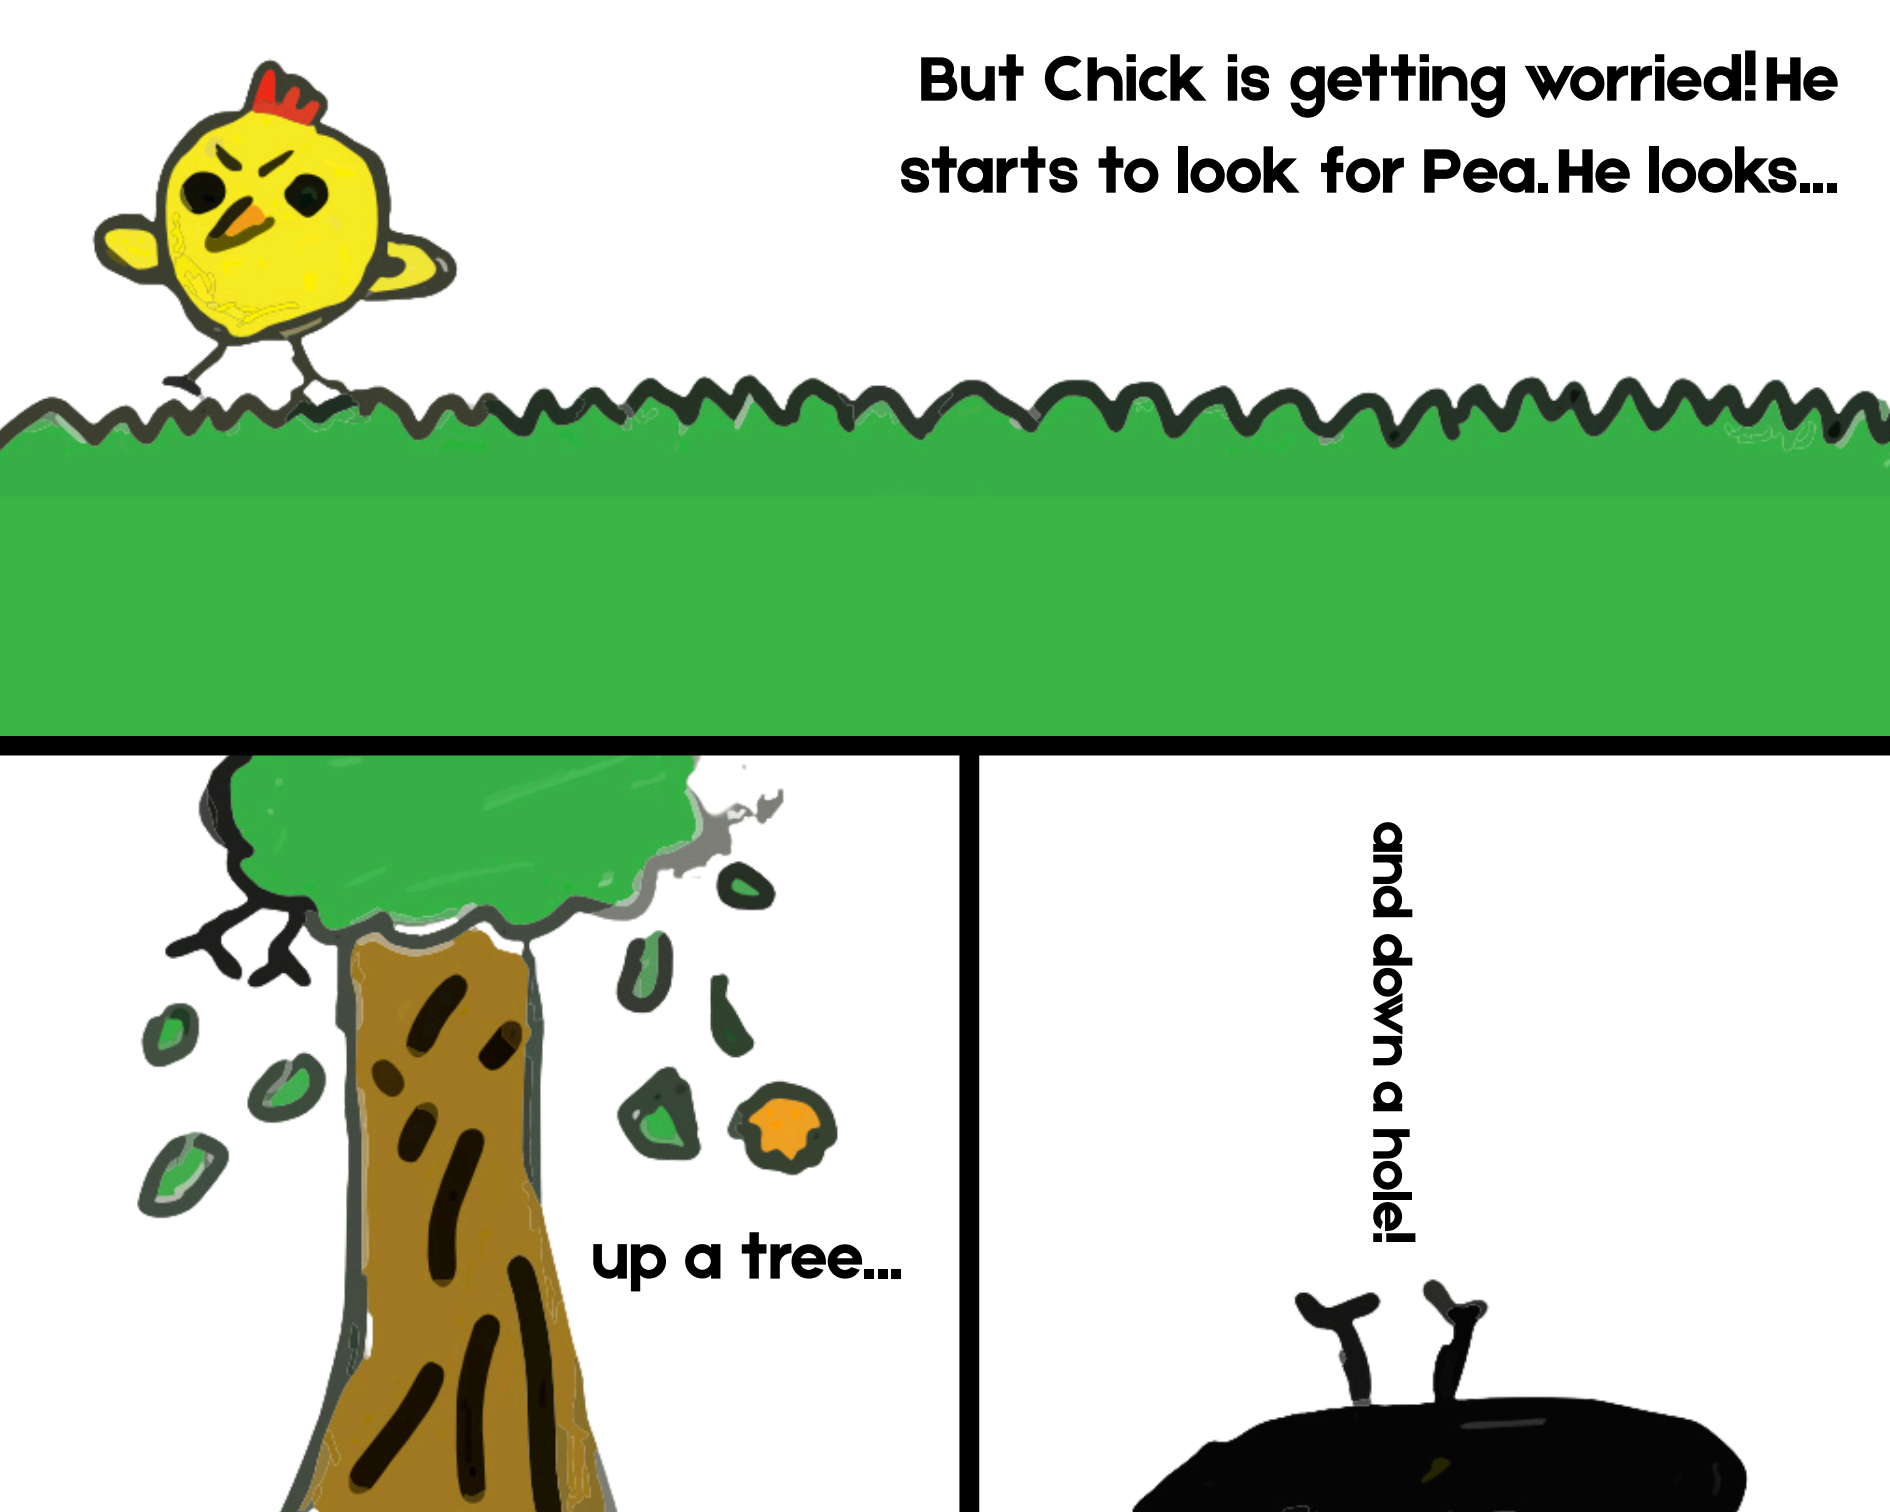
Chick thinks Pea is counting...



But Pea thinks Chick is counting!

They both hide on different sides of the barn. But who will find who?

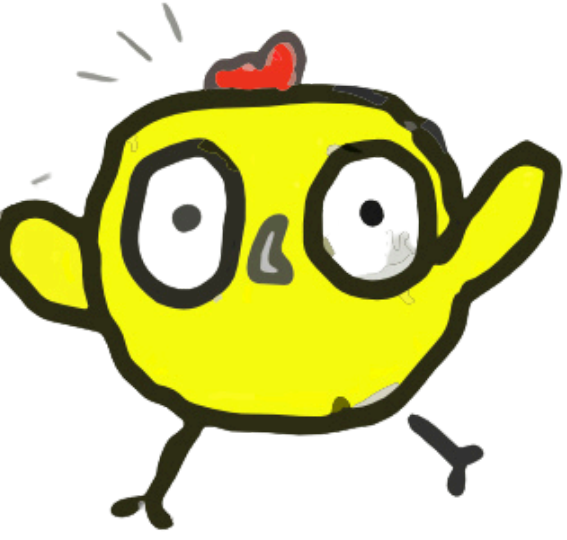
Pea gets hungry. So she goes to the restaurant for a little snack.

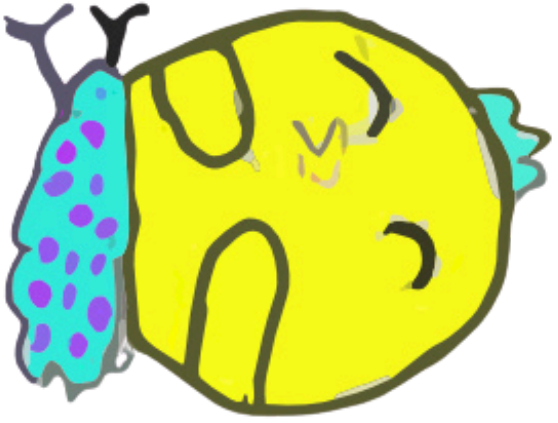


But Chick is getting worried! He starts to look for Pea. He looks...
up a tree...
and down a hole!

Chick gets thirsty.HE goes to the restaurant for a little drink.

Ahh! That's where Pea is!





No more Hide and Seek for a while!
